

For Immediate Release:

From the Office of Hot Spring County Judge Dennis Thornton

HOT SPRING COUNTY COVID-19 UPDATE

For a week, the number of positive cases in Hot Spring County had remained steady at 8. As of yesterday, April 23, the county has 9 positive cases. It is obvious by the minimal number of positive cases in the county that we are doing a good job of following Governor Asa Hutchinson's mandates on social distancing and best practices. I appreciate all that is being done throughout Hot Spring County to flatten the curve as we wait for the Governor's response to opening the county and state.
